Year 6 week one programme 2017
Wednesday, 1 February - Friday, 3 February

General information for students/parents

The Year 6s will be involved in a three-day programme before commencing normal timetable on Monday, 6 February. This will provide Year 6 students with an opportunity to meet new friends and teachers, learn about some of the College procedures and include a session to be issued their laptops (including understanding the laptop programme student expectations). Students will also spend time with their Peer Support leaders and participate in some Physical Education activities.

All students MUST arrive at school by 8.40am and proceed to the Year 6 area.

- Students are to wear physical education uniform for the three days, including a hat for outside activities.
- Students will need a clipboard and writing materials, a drink bottle and a small bag. They should not bring any books and files on the first day.
- Students will be completing a number of activities during the three day programme including:
  - An introduction to IB Middle Years Programme
  - A getting to know your school environment activity
  - Understanding the canteen
  - Laptop allocation and student ICT expectations
  - Physical Education session
  - Peer support sessions
- Students will receive a detailed copy of the programme on day one.
- The canteen will be open each day.
- The Year 6 students will have a BBQ lunch (sausage sizzle, fruit and fruit juice) on the Friday at Bilgoman Aquatic Centre. Special dietary requirements have been noted.
- Photos for SmartRider cards will be taken so cards can be ordered and available to students early in Term One.

All Year 6 parents are invited to an informal information session with Cathy Light, Director of Middle School, and Ian Lyons, Principal, at 8.45am in the canteen area on Wednesday, 1 February, after dropping students off at school. Light refreshments will be available.
